

SPONSORS

The Oak Grove Robotics Club Part of the FIRST™ LEGO® League

Oak Grove Middle School Golden Knights and the OGMS PTA are proud to announce the formation of a LEGO Robotics Club to participate in the FIRST LEGO League!

The Oak Grove Robotics Club gives students an opportunity to explore the world of robotics and much more! Teamwork, leadership, communication skills, and gracious professionalism are just some of the life skills our students practice every meeting. Students with interests in marketing, art, communication, research, basic physics, science, math, programming, and brainstorming contribute significantly to the success of the program. As a member of the Oak Grove Robotics team, each student must adhere to the following...

TEAM ACTIVITIES

- Build autonomous robot
- Program robot
- Research real-world challenge
- Deliver presentation project
- Compete at sports-like tournament
- Network with professionals
- Share research&ideas with community

FIRST LEGO League Values

- Respect each other in the best spirit of teamwork
- Behave with courtesy and compassion for others at all times
- Honor the spirit of friendly competition
- Act with integrity
- Demonstrate gracious professionalism
- Encourage others to adopt these values

None of this would be possible without the involvement of our community. We as mentors and coaches, are doing everything we can to make sure our team members get the most out of this program and we are happy to be a part of it. Now we ask you, as part of the community, either as a local business or as a resident, to help us out. We need sponsorship. No matter what you can give, know that it is going toward giving these students an opportunity that would not be possible without the help from our sponsors.

The Oak Grove Robotics Club requires a significant amount of money annually to...

- Register the teams (our club has more than one team)
- Purchase the annual challenge materials (every season the “Challenge” changes, this year it is “World Class”)
- Purchase required robotics electronics
- Attend local weekend competitions (Even more so if we advance beyond the local competition)
- Team T-Shirts.
- And much more....

Please consider sponsoring this program. With your help we can give these students the opportunity to learn skills they can take into their adult lives. Helping them learn these skills in a fun, friendly, environment will only help our community.

Thank You,
Oak Grove Robotics Coaches and Staff.

www.USFIRST.ORG by selecting the FLL menu option.

Please direct any questions to Kyle Wright (wrightky@gmail.com)
including questions about coaching or partnering as one of our mentors.

Corporate Sponsors

Quest of the Golden Knight

Oak Grove Robotics Club Qualifying Tournament

On top of our normal season, our club is also hosting an official qualifying tournament “Quest of the Golden Knight” on January 17, 2015. We have 16 teams coming from all over Florida including one team all the way from the Grand Caymans!

This provides a unique opportunity for our sponsors.

The tournament we are hosting will help bring attention to your business by giving you different opportunities to have your advertisements in the hands of many local residents and on our team shirts. We will offer different levels of sponsorship, each with their own level of perks, and commitments. *(This is a tax deductible donation)*

Artisan Sponsor benefits – < \$100.00 (Gift Cards also Accepted)

- Recognition as a sponsor in printed Oak Grove Robotics advertising and promotional materials, official event program, posters, and flyers.
- Recognition on the Oak Grove Robotics website, with a link to sponsor’s website.
- Recognition on Oak Grove Robotics sponsorship banner (min. \$75.)

Knight Sponsor benefits – \$100.00 - \$299.99 (all of the Artisan Benefits plus)

- A Business Card sized Ad in The Oak Grove Robotics “Quest of the Golden Knight” program, to be distributed at event.
- Logo recognition on the Oak Grove Robotics website, with link to sponsor’s website.
- Company Name imprinted on the official staff/volunteer T-shirts.
- Recognition in official OGMS newsletter.

Noble Sponsor benefits – \$300.00 - \$499.99 (all of the Knight Benefits plus)

- A Quarter Page Ad in The Oak Grove Robotics “Quest of the Golden Knight” program, to be distributed at event.
- Logo impression as a sponsor in printed Oak Grove Robotics advertising and promotional materials, official event program, posters, and flyers.
- Logo imprinted on the official staff/volunteer T-shirts.
- Display of corporate banner at the tournament.
- Logo recognition on Oak Grove Robotics sponsorship banner.
- A space for corporate display/exhibit at the event.

King Sponsor benefits – \$500.00+ (All of the Noble benefits plus)

- A Half Page Ad in The Oak Grove Robotics “Quest of the Golden Knight” program, to be distributed at event.
- Display of up to **three** corporate banners at the tournament.
- Recognition as a King Sponsor by emcee in announcements from the main stage throughout the event.
- **Official Team Sponsor with multiple promotional opportunities throughout the season**

No matter what level you or your company chooses to sponsor, we appreciate the support. With your help, we hope to make this an annual event and an opportunity for our community to gain more recognition.

Thank You,
Oak Grove Robotics Coaches and Staff.
